Recap of FINSOC Events

Week 5: FPSG Case Competition Presentations (First Round)

Thank you to everybody who came along to the first round of the FPSG's Inter-University Case Competition! Each team was given a challenging financial scenario in advance and gave a presentation of their comprehensive financial solutions on the day. Well done to all the teams who participated and showed their amazing problem solving and analysis skills, and a big congratulations to our winning team - 4 Heads (Gordon Lu, Louis Ye, William Chen and Angelo Yan)!

We would like to say a big thank you to our judges Jessica Brady (Business Development Manager at Macquarie Group) and Richard Shaw (Head of Advice at Local Government Super) for giving their time and sharing their

expertise at our event. The afternoon was a great success and we hope you enjoyed watching our four clever UNSW teams compete against each other.

If you missed out on this event, don't fret. Make sure you check out our exciting upcoming Careers Panel below!
